

Jordan University of Science and Technology
Faculty of Engineering
Civil Engineering Department

CE909 Seminar In Civil Engineering - JNQF Level: 10

Second Semester 2024-2025

Course Catalog

0 Credit Hours. Research and studies presented by post-graduate students, faculty members, invited speakers from industry and academia.

Teaching Method: On Campus

Class Schedule & Room

Section 1:
 Lecture Time: Mon, Wed : 09:00 - 10:30
 Room: U

Mapping of Course Outcomes to Program Outcomes and NQF Outcomes	Course Outcome Weight (Out of 100%)	Assessment method
Critically analyze Research and studies presented by post-graduate students, faculty members, invited speakers from industry and academia. [1L10C4]	40%	
Engage in constructive discussions to evaluate diverse perspectives and approaches to addressing current challenges in Civil and Structural engineering and related fields. [1L10C1]	30%	
Synthesize knowledge from various presentations to enhance research skills and contribute to advancing professional and academic understanding. [1L10C5]	30%	

Relationship to NQF Outcomes (Out of 100%)

L10C1	L10C4	L10C5
