NUR494 Clinical Training
Summer Semester 2019-2020

Course Catalog
<p>3 Credit Hours. As an exit course in the nursing curriculum, the clinical training course is designed as a comprehensive course to enhance student achievement of the end of program student learning outcomes. Student synthesizes previous knowledge &amp; experience in the acquisition of the role of the professional nurse. Thus, to ensure nursing students are fit to practice. Students in this exit course are expected to be independent, active &amp; responsible learners who can work effectively with others.</p>

Relationship to Program Student Outcomes (Out of 100%)											
NUR-1	NUR-2	NUR-3	NUR-4	NUR-5	NUR-6	COMP-1	COMP-2	COMP-3	COMP-4	COMP-5	COMP-6
5	3.93	4.50	2	6.43	3	11.43	5	16.93	16.93	8.43	16.43

Evaluation	
Assessment Tool	Weight
Competency based clinical evaluation	25%
Professional conduct	10%
Documentation	5%
Learning plan	10%
Independent shift	10%
Oral exam	20%
Written exam	20%

Policy	
course policy	<p>School policy: Each student should adhere to the school standards of clinical practice, and if the student breach these professional standards he/she will got zero evaluation for that day and will send home. According to the attendance, each student should be in complete uniform at the assigned unit at 8:30 am to start pre conference with the instructor, any student come after that time will consider absent.</p> <p>An unexcused absent will reduce your grades from daily evaluation &amp; professional conduct. Remember that you cannot be absent without excuse for more than one clinical day, and maximum two days if you have an accepted official excuse. There will be no makeup for the absent days (excused and unexcused).</p>
