NUR743 Advanced Maternal And Newborn Nursing Theory

First Semester 2021-2022

Course Catalog

3 Credit Hours. This course builds on previous knowledge gained in Nur. 740 & 741 and focuses on advanced theory and knowledge base related to high-risk women, newborns and their families. Health problems related to high-risk antenatal, perinatal, and postnatal periods will be discussed. Advanced concepts and roles of the clinical nurse specialist pertaining to holistic care of high-risk women, newborns and their families in addition to reproductive health and family planning will be discussed.
