ENG271 English Forms & Functions

First Semester 2021-2022

Course Catalog

3 Credit Hours. ENG 270 is designed for English majors . In this course, students will gain confidence in their own mastery of English grammar; they will also improve their ability to analyze it and to communicate their analysis clearly to others. The course aims to will empower learners as writers and significantly improve their work. A portion of class time will be devoted to studying students' own essays and selected passages from professionals. Students should also expect to work on exercises from Rhetorical Grammar in class and as homework.
