

CURRICULUM VITA

Personal Information

Name **Prof. Abed Al-Hadi Hamasha** أ.د. عبدالهادي محمود حمasha
Date of Birth December 9, 1964.
Nationality Jordanian
Department Department of Preventive Dentistry
 Faculty of Dentistry,
 Jordan University of Science and Technology,
 P. O. Box 30300,
 Irbid, 22110,
 Jordan

Present Rank: **Professor**

Date appointed to present rank: **24/2/2007.**

Home address: Irbid, Jordan

Phone No. 962796957762

Electronic mail hamasha@just.edu.jo

Specialty: Preventive and Geriatric Dentistry

Higher Education

- **Diplomat of the American Board**, American Board of Dental Public Health, Florida, USA, February 1997.
- **Fellowship** in Geriatric Dentistry, College of Dentistry, The University of Iowa, USA, September 1994 - June 1995.
- **Part I (Membership)**, the Royal College of Dentists of Canada in Dental Public Health, Royal College of Dentists of Canada, Toronto, Canada, June 1995.
- **Specialty Certificate** “Board eligibility certificate “in Dental Public Health, Department of Preventive and Community Dentistry, The University of Iowa, Iowa City, USA, June 1995.
- **Master of Science** Degree in Dental Public Health, College of Dentistry, The University of Iowa, USA, June 1992 - May 1995
- **Bachelor of Dental and Oral Surgery**, College of Dentistry, Mosul University, Iraq, October 1983 - June 1988.
- **High school**, Prince Al-Hussan Secondary School, Irbid/Jordan, 1983.

Administrative Positions:

- **Dean** of the Faculty of Dentistry, Faculty of Dentistry, Applied Science Private University, Amman, Jordan, 2023 – 2025.
- **Dean** of the Faculty of Applied Medical Science, Faculty of Applied Medical Science, Jordan University of Science and Technology, Irbid, Jordan, 2010 – 2014.
- **Vice Dean** of Faculty of Dentistry, Faculty of Dentistry, Jordan University of Science and Technology, Irbid, Jordan, 2007 – 2009.
- **Chairperson** of the Department of Preventive Dental Science, College of Dentistry, King Saud bin Abdulaziz University for Health Sciences, Riyadh, Kingdom of Saudi Arabia, 2014-2019.
- **Chairperson** of the Department of Preventive Dentistry, Jordan University of Science and Technology, Irbid, Jordan, 2005 - 2006.
- **Chairperson** of the University Curriculum Committee of Jordan University of Science and Technology, Irbid, Jordan, 2013-2014.

- **Director of** postgraduate dental clinics, Faculty of Dentistry, Jordan University of Science and Technology, Irbid, Jordan, 2007 - 2008.
- **Assistant Dean** of the Faculty of Dentistry, Jordan University of Science and Technology, Irbid, Jordan, 1999 -2001.
- **Chairperson** of the Higher Education Committee, Faculty of Dentistry, Jordan University of Science and Technology, Irbid, Jordan, 2008 - 2009.
- **Chairperson** of the Accreditation Committee, Faculty of Dentistry, Jordan University of Science and Technology, 2004 - 2009.
- **Member** of the University Council of Jordan University of Science and Technology, 2010-2014, 2004 – 2005, 1998 - 1999.
- **Member** of the Central Tenders Committee of Jordan University of Science and Technology, 2006 – 2007.
- **Chairperson** of The Higher Education Committee, Department of Preventive Dentistry, Jordan University of Science and Technology, Irbid, Jordan. September 2005 - September 2006.
- **Chairperson** of The Scientific Committee, Department of Preventive Dentistry, Jordan University of Science and Technology, Irbid, Jordan, 2005 - 2007.
- **Chairperson** of The Public Interaction Committee, Department of Preventive Dentistry, Faculty of Dentistry, Jordan University of Science and Technology, Irbid, Jordan, 1998 - 2000, 2005 - 2007.
- **Member** of the National Continuous Medical Education Committee of Jordan Medical Council, representative of Jordan University of Science and Technology. Jordan Medical Council, Amman, Jordan, 2006 – 2008.
- **Member** of The Scientific Committee of The Jordan Dental Association, Amman, Jordan, 2005-2006
- **Member** of the National Committee of Oral Health in Jordan, 1997 - 1998.
- **Member of** the National Committee to study the establishment of the Jordan Board in Dental Public Health, 1997.
- **Member** of the Editorial Board of Jordan University of Science and Technology Journal (Technology mirror), 1997 - 1998.

- **Chairperson** of the Scientific Committee to study the papers presented by Dr. Khansa Ababneh for promotion to associate professor. Jordan University of Science and Technology, Irbid, Jordan, May 2009.
- **Chairperson** of the Scientific Committee to study the papers presented by Dr. Suhad Al-Jundi for promotion to associate professor. Jordan University of Science and Technology, Irbid, Jordan, May 2005.
- **Chairperson** of the Scientific Committee to study the papers presented by Dr. Susan Al-Khateeb for promotion to associate professor. Jordan University of Science and Technology, Irbid, Jordan, May 2005.
- **Chairperson** of The Library Committee, Faculty of Dentistry, Jordan University of Science and Technology, 2004 - 2005, 2007 - 2009.
- **Chairperson** of the Social Committee of the 6th scientific day and the 4th meeting of the International Association of Dental Research in Jordan, Jordan University of Science and Technology, 3/7/2006.
- **Member** of The Faculty of Dentistry Council, Jordan University of Science and Technology, Irbid, Jordan, 1997 - 1998, 2005 – 2006, 2007 - 2009.
- **Member** of the Scientific Committee to study a book about biostatistics for health and life prepared by Dr. Labib Al-sharif and submitted for the appointment and promotion committee at Jordan University of Science and Technology, Irbid, Jordan, 2006.
- **Member** of the Higher Education Committee, Faculty of Dentistry, Jordan University of Science and Technology, Irbid, Jordan, 2005 – 2006, 2007 - 2010.
- **Member** of the Committee Established for Follow-Up on the establishment of a Dental Hospital on the campus of Jordan University of Science and Technology, Irbid, Jordan, 2005 - 2007.
- **Member** of the Scientific Committee of the 6th scientific day and the 4th meeting of the International Association of Dental Research in Jordan, Jordan University of Science and Technology, 3/7/2006.
- **Coordinator** of The Activities of the Faculty of Dentistry in the Local Community, 1995 - 2001.

Professional Positions

- **Professor** (2023 – 2025), Faculty of Dentistry, **Applied Science Private University, Amman, Jordan.**

- **Professor**, (2007– Now), Department of Preventive Dentistry, Faculty of Dentistry, **Jordan University of Science and Technology, Irbid, Jordan**
- **Professor**, (2014 – 2019), Department of Preventive Dental Science, College of Dentistry, **King Saud bin Abdulaziz University for Health Sciences**, Riyadh, Kingdom of Saudi Arabia
- **Associate Professor**, (2002 – 2007), Department of Preventive Dentistry, Faculty of Dentistry, **Jordan University of Science and Technology, Irbid, Jordan.**
- **Visiting Associate Professor** (2003 - 2004), Department of Preventive and Community Dentistry, **The University of Iowa, Iowa City, Iowa, USA.**
- **Assistant Professor**, (1997 – 2002), Department of Preventive Dentistry, Faculty of Dentistry, **Jordan University of Science and Technology, Irbid, Jordan.**
- **Full-Time Lecturer**, (1995 – 1997) Department of Conservative Dentistry, Faculty of Dentistry, **Jordan University of Science and Technology, Irbid, Jordan.**
- **Graduate student and resident** (1992 - 1995) Department of Preventive Dentistry and Special Care Clinic, **The University of Iowa, Iowa City, USA.**
- **Clinical Dental Officer**, (1991 - 1992), Faculty of Dentistry, **Jordan University of Science and Technology, Irbid, Jordan.**
- **General Dental Practitioner** (1989 - 1990), Dental Department, Irbid Hospital, Prince Hia Hussein Hospital, and Zarqa General Hospital, **The Royal Medical Services, Jordan.**

Professional Activities:

- Clinical teaching and supervision of dental students during their clinical management of patients at the Department of Conservative Dentistry clinics, including operative dentistry, endodontics, fixed prosthodontics, and geriatric dentistry.
- Teaching dental students, the didactic, clinical, and practical components of different dental courses that are relevant to my specialty.
- Teaching Allied dental students, the didactic, clinical, and practical components of different dental courses that are relevant to my specialty.
- Specialty private practice in the specialty of conservative dentistry, Dental Teaching Center, Jordan University of Science and Technology, Irbid, Jordan.
- Chair and participate in most of the Faculty of Dentistry Committees.
- Participate in the development of the new dental curriculum set by the faculty.

- Participate in the establishment of the Allied Dental Science program at the university.
- Participate in the establishment and furnishing of the new dental simulation clinic at the faculty.
- Participate in the collaboration process with the University of Jordan, the Ministry of Health, Royal Medical Services, and others on issues related to the oral health of Jordan.
- Participate in the Jordan dental examinations administered by the Ministry of Health as part of the licensure of the new dental graduates.

International Conferences

- European Accreditation Council for Continuing Medical Education (EACCME). EACR25: From Fundamental Insight to Rational Cancer Treatment. Amsterdam, Netherlands, 30/06/2018-03/07/2018.
- Academic Conference on Education, Teaching and E-Learning, AC-ETeL 2017, The Czech Association of Scientific and Technical Societies, Prague, Czech Republic. August 11-14, 2017.
- Translational Craniofacial Conference 2016. School of Dental Sciences, University SAINS, Pulau Pinang, Malaysia. August 10-11, 2016. Certificate of oral presentation.
- American Association of Public Health Dentistry, National Oral Health Conference, April 16-17, 2016, Cincinnati, Ohio, USA
- The 8th Dental Students' Meeting (DSSM), College of Dentistry, Qassim University, Saudi Arabia, 26-28 January 2016, Certificate of Author of scientific poster presentation.
- Gulf Cooperation Council Dental. Riyadh Colleges of Dentistry and Pharmacy, Riyadh, Saudi Arabia, November 28, 2015.
- IADR/PER General Session & Exhibition submission. Prevalence of Dental Fear among Male Intermediate School Students in Riyadh, KSA (Control ID: 2960045). London, England, July 25-28, 2018.

Workshops and Special Courses

- PBL Workshop. College of Medicine, King Saud bin Abdulaziz University for Health Sciences, Riyadh, Saudi Arabia, October 2, 2017
- Qualitative research analysis. College of Medicine, King Saud bin Abdulaziz University for Health Sciences, Riyadh, Saudi Arabia, January 14-15, 2017.
- Big data analytics for health care. College of Public Health and Health Informatics, King Saud bin Abdulaziz University for Health Sciences, Riyadh, Saudi Arabia, October 20, 2016.

- Introduction to PBL. College of Medicine, King Saud bin Abdulaziz University for Health Sciences, Riyadh, Saudi Arabia, October 12, 2016.
- Oral Diagnosis in the Pediatric and Adolescent Patient Workshop. College of Dentistry, King Saud bin Abdulaziz University for Health Sciences, Riyadh, Saudi Arabia, September 19-21, 2016.
- Clinical Teaching Workshop. College of Medicine, King Saud bin Abdulaziz University for Health Sciences, Riyadh, Saudi Arabia, April 26-27, 2016.
- Writing a Good Research Proposal. College of Applied Medical Sciences, King Saud bin Abdulaziz University for Health Sciences, Riyadh, Saudi Arabia, March 30, 2016.
- Theory in Health Professions Education Research. College of Medicine, King Saud bin Abdulaziz University for Health Sciences, Riyadh, Saudi Arabia, December 14, 2015.
- Guidelines Adaptation & Knowledge Translation in Dentistry. National and Gulf Center for Evidence-Based Health Practice, Deanship of Postgraduate Education, King Saud bin Abdulaziz University for Health Sciences, Riyadh, Saudi Arabia, April 7-8, 2015
- Fundamentals of Evidence-Based Dentistry. National and Gulf Center for Evidence-Based Health Practice, Deanship of Postgraduate Education, King Saud bin Abdulaziz University for Health Sciences, Riyadh, Saudi Arabia, April 5-6, 2015.
- Promoting Innovation in Higher Education. Academic Leadership Development Workshop for Academic Deans and Department Chairs. Ministry of Higher Education, Riyadh, Saudi Arabia, February 18-19, 2015.
- Annual Program Report According To NCAAA Standards. College of Applied Medical Sciences, King Saud bin Abdulaziz University for Health Sciences, Riyadh, Saudi Arabia, January 7, 2015.
- MCQ Item Writing. Postgraduate Training Center, King Saud bin Abdulaziz University for Health Sciences, Riyadh, Saudi Arabia, November 20, 2014.
- Educational Objectives. College of Medicine, King Saud bin Abdulaziz University for Health Sciences, Riyadh, Saudi Arabia, November 5, 2014.
- NCAAA, Why Is It Important? Course Specification. College of Applied Medical Sciences, King Saud bin Abdulaziz University for Health Sciences, Riyadh, Saudi Arabia, October 28, 2014.
- Motivation & Leadership Course. Postgraduate Training Center, King Saud bin Abdulaziz University for Health Sciences, Riyadh, Saudi Arabia, September 18, 2014.

- Achieving Constructive Alignment in Learning & Teaching. College of Medicine, King Saud bin Abdulaziz University for Health Sciences, Riyadh, Saudi Arabia, September 10, 2014.
- Developing and Implementing Quality Assurance. British Council, 4 days, Amman, Jordan, 7-10, January 2008.
- Maxi-course of the American Academy of Implantology and Jordan University of Science and Technology, 6-modules, Irbid, Jordan, 2005-2006.
- Techniques of negotiations, conflicts management, and problem-solving, 15 training hour course, The consultative Center for Science and Technology, Jordan University of Science and Technology, Irbid, Jordan. 25-27/4/2005.
- The use of rotary instruments in root canal therapy. A didactic and hands-on course, one day, Dental Teaching Center, Jordan University of Science and Technology, 26/6/2005.
- Microsoft Office, 20 training hour course, The consultative Center for Science and Technology, Jordan University of Science and Technology, Irbid, Jordan. 19-23/6/2005.
- ITI dental implant training course II, Surgical part. Jordan University of Science and Technology, July 2000.
- ITI dental implant training course II, Prosthetic part. Jordan University of Science and Technology, January 28, 2001.
- The Technology of Teaching and Internet Supported Education course, Jordan University of Science and Technology, February 6 to 10, 2000.
- Course on the Internet and the world wide web, Jordan University of Science and Technology, February 16 to 17, 1998
- Technology of Teaching and Evaluation course, Jordan University of Science and Technology, September 9-13, 1995.
- Geriatric Summer Workshop (54 hours), Geriatric Education Center, The University Iowa, May 31-June 10, 1994. Iowa City, USA.

Teaching Experience

Teach, supervise these, coordinate, and participate in the teaching of dental students, and allied dental students at the master's and bachelor's levels for the following courses:

1. DENT201: Dental Anatomy and Occlusion
2. DENT240: Fundamentals of Dental Caries
3. DENT320: Introduction to Clinical Dentistry
4. DENT341: Dental Materials I

5. DENT342: Dental Materials II
6. DENT411: Oral Epidemiology
7. DENT412: Preventive Dentistry
8. DENT524: Community Dentistry
9. DENT516: Dental Practice Management
10. DENT513: Research Project I: Oral Epidemiology
11. DENT343: Operative Dentistry
12. DENT445: Conservative Dentistry I
13. DENT446: Conservative Dentistry II
14. DENT547: Conservative Dentistry III
15. DENT548: Conservative Dentistry IV
16. DENT420: Comprehensive Dental Care I
17. DENT521: Comprehensive Dental Care II
18. DENT522: Comprehensive Dental Care III
19. DENT 767: Geriatric Dentistry
20. DENT 779: Research Project For Master's Students
21. AUXD 61: Dental Public Health and Community Service
22. AUXD 613: Special Topics
23. AUXD 515: Research Project I
24. AUXD 512: Profession and Professionalism II
25. AUXD 312: Profession and Professionalism I
26. AUXD 311: Principles of Scientific Evidence
27. PUBH 301: Perspective of Oral Health Care Services

Theses Supervision

- **Main supervisor of the thesis entitled** “Antimicrobial Photodynamic Therapy in the Non-Surgical Treatment of Aggressive and Chronic Periodontitis: A Randomized Controlled Clinical Trial” by the student Dr. Zaid Otoom. 2013-2014.
- **Main supervisor of the thesis entitled** “Implant versus Endodontic Treatment in Terms of Clinical and radiographic assessment, patients' Satisfaction and their attitudes toward any treatment modality” by the student Dr. Ashraf Nabhan. 2011-2013.
- **Main supervisor of the thesis entitled** “Quality of Life and Satisfaction of Patients after root canal treatment provided by Undergraduate, graduate, and endodontic specialists” by the student Dr. Abdelrahman Hatweesh. 2011-2013.
- **Main supervisor of the thesis entitled** “The Severity and Extent of Dental Erosion among Jordanian Schoolchildren aged 12-14 years” by the student Dr. Roua Thamer Al-Hadithy. 2009-2011.
- **Main supervisor of the thesis entitled** “Salivary Factors Affecting Dental Erosion in Children” by the student Dr. Khalid Mohammed Suliman. 2009-2011.

- **Main supervisor of the thesis entitled** “The Severity and Extent of Dental Erosion in primary dentition among Jordanian preschool children.” by the student Dr. Majid Ali Alshboul. 2009-2011
- **Main supervisor of the thesis entitled** “Association of depression with periodontal diseases” by the student Dr. Abeer Ootom. 2005-2007.
- **Main supervisor of the thesis entitled** “Interest and general perception in periodontics among Jordanian dentists and their approach to managing periodontal cases” by the student Dr. Usama Istatyeh, 2005-2008.
- **Second supervisor of the thesis entitled** “The effect of Dental fluorosis on the shear bond strength of orthodontic metal brackets” by the student Dr. Yousef Farah Ayoub” 2008-2010.
- **Second supervisor of the thesis entitled** “The relationship between dentine hypersensitivity and gingival recession among Jordanian adults,” by the student Dr. Sanabel Barakat, 2005-2007.
- **Member of the examining committee for the thesis entitled** “Prospective analysis of dental extraction for patients presenting at oral surgery clinic in North Jordan” by the student Dr. Dua'a Al-Khatib. 2009.
- **Member of the examining committee for the thesis entitled** “Risk indicator of periodontal disease in pregnant women in Balqa governorate”, for student D. Raed Khresat. 2007.
- **Member of the examining committee for the thesis entitled** “Immunohistochemical evaluation of p53 and p21 in Oral lichen planus. An immunohistochemical study” by the student Dr. Sajedah Aljaber, 2007.

Research Projects:

- **Participate in the Iowa 65+ Oral Health Study**, a nationally recognized study to investigate the oral health of the elderly, Iowa City, USA, 1992-1995, 2003-2005.
- **Participate in the Iowa Fluoride Study**, a nationally recognized study to investigate the use of different fluoride modalities in children, Iowa City, USA, 1995-now.
- **A principal researcher** of a project to study the choice of treatment of implant versus Endodontic treatment in terms of clinical and radiographic assessment, patients' satisfaction, and their attitudes toward any treatment modality. 2012-2013.
- **A principal researcher** of a project to study the Severity and Extent of Dental Erosion among Jordanian Schoolchildren aged 12-14 years. A two-stage cluster random sample of Jordanian schoolchildren in Amman, Irbid, and Al-karak governorates was used to represent Jordanian students. 2009-2011.

- **A principal researcher** of a project to study the Salivary Factors Affecting Dental Erosion of permanent teeth in Children. A chemical analysis of salivary components of random samples of saliva from schoolchildren in Jordan and their relationship to dental erosion. 2009-2011
- **A principal researcher** of a project to study the Severity and Extent of Dental Erosion of primary teeth among Jordanian Schoolchildren aged 4-6 years. A two-stage cluster random sample of Jordanian schoolchildren in Amman, Irbid, and Al-Karak governorates was used to represent Jordanian students. 2009-2011.
- **A principal researcher** of a project to study dental anomalies in dental patients. This study was based on a radiographic examination of a random sample of dental patients who attended dental clinics at Jordan University of Science and Technology, from 1997-2005.
- **A principal researcher** of a project to study the caries experience in dentate Jordanian adults. 2004-2006.
- **A principal researcher** of a project to study dental caries in Jordanian school children. The examination was completed according to the guidelines recommended by the World Health Organization, 1995-2005.
- **A principal researcher** of a project to study the periodontal status and periodontal treatment needs in Jordanian school children. The examination was completed according to the guidelines recommended by the World Health Organization using the CPITN index, 1995-2005.
- **A principal researcher** of a project investigating the medical conditions associated with tooth loss and edentulism in the elderly, 1996-1998.
- **A principal researcher** of a project to study the risk indicators associated with tooth loss in the Jordanian adult population. A cluster random sample of Jordanian adults was chosen and clinical examination was conducted in their homes, 1998-2000.
- **Participate in a research project** to investigate the occurrence of oral and maxillofacial tumors in north Jordanian children and adolescents. A retrospective analysis over 10 years.
- **Participate in a research project** to investigate gender-specific oral health attitudes and behavior among dental students in Jordan.
- **Master thesis** "Factors associated with missing teeth, edentulism, and teeth needing to be extracted in the institutionalized elderly". Thesis submitted and accepted at the Graduate College, The University of Iowa, 1995.

Grants and Research Funds

- Research funds from the **National Institute of Health, USA**, Grant Number **R01-DE09551** for the published research "Patterns of Dietary Fluoride Supplement Use in Children from Birth to 96 Months of Age".

- Research funds from the **National Institute of Health, USA**, Grant Number **R01-DE12101** for the published research "Patterns of Fluoride Mouthrinse and Gel Use by Children 6 to 96 Months of Age".
- Research funds from the **National Institute of Health, USA**, Grant Number **M01-RR00059** for the published research "Oral Health Behaviors of Children in Low and High Socioeconomic Status Families".
- Research funds from the **National Institute of Health, USA**, Grant Number **P30-DE10126** for the published research "Dental visits and professional fluoride applications for children aged 72 to 108 months".
- Research funds from the **University of Iowa Obermann Center for Advanced Study, USA**, Grant Number **P30-DE10126** for the published research "Coronal and root caries in the older Iowans: 9- to 11-year incidence".
- Research funds from the **Deanship of Scientific Research, Jordan University of Science and Technology, Jordan**, Grant Number **1/97** of the research project "A case-control study of the effectiveness of fissure sealants in prevention of dental caries in Jordanian schoolchildren".
- Research funds from the **Deanship of Scientific Research, Jordan University of Science and Technology, Jordan**, Grant Number **152/2006** of the research project "Interest and general perception in periodontics among Jordanian dentist and their approach to managing periodontal cases".
- Research funds from the **Deanship of Scientific Research, Jordan University of Science and Technology, Jordan**, Grant Number **165/2006** of the research project "Association of depression with periodontal diseases".
- Research funds from the **Deanship of Scientific Research, Jordan University of Science and Technology, Jordan**, Grant Number **80/2009** of the research project "The Severity and Extent of Dental Erosion among Jordanian Schoolchildren aged 12-14 year".
- Research funds from the **Deanship of Scientific Research, Jordan University of Science and Technology, Jordan**, Grant Number **137/2009** of the research project "Salivary Factors Affecting Dental Erosion in Children".
- Research funds from the **Deanship of Scientific Research, Jordan University of Science and Technology, Jordan**, Grant Number **104/2009** of the research project "The Severity and Extent of Dental Erosion in primary dentition among Jordanian preschool children".
- Research funds from the **Deanship of Scientific Research, Jordan University of Science and Technology, Jordan**, Grant Number **185/2011** of the research project "Implant versus Endodontic Treatment in Terms of Clinical and radiographic assessment, patients' Satisfaction and their attitudes toward any treatment modality".

- Research funds from the **Deanship of Scientific Research, Jordan University of Science and Technology, Jordan**, Grant Number **21/2013** of the research project “Antimicrobial Photodynamic Therapy in the Non-Surgical Treatment of Aggressive and Chronic Periodontitis Compared to Conventional Non-Surgical Periodontal Treatment and Surgical Debridement of Posterior Teeth: A Randomized Controlled Clinical Trial ”.
