## **Training and experience**

### **01 / February / 2016 to present**

- I am working as an assistant Professor at the department of obstetrics and Gynecology at Jordan University of Science and Technology. My duties include teaching undergraduate and postgraduate students.
- I am working as Maternal-Fetal Medicine consultant at King Abdulla University Hospital running the Fetal Medicine Unit. My duties include assessing high risk pregnancies, performing first trimester screening tests, invasive intrauterine diagnostic procedures, intrauterine invasive therapeutic procedures and anomaly scans.
- In addition to the teaching and clinical commitments, I supervise undergraduate and postgraduate students to conduct clinical research studies.

### **05 / March / 2014 to 01 / February / 2016**

- I worked as a Maternal Fetal Medicine fellow in the fetal medicine unit at Royal Prince Alfred Hospital.
- My weekly schedule was as follow:
  - ❖ One session 1<sup>st</sup> trimester screening test
  - ❖ One session fetal anomaly scans
  - ❖ One session fetal echocardiography
  - ❖ One session cervical assessment
  - ❖ One session delivery ward as a labour ward fellow
  - ❖ One session high risk pregnancy clinic
  - ❖ Two research sessions.
- I was involved in the diagnosis, counselling and management of great number of fetal structural and chromosomal abnormalities.
- During this period, I was actively participating in the fetal interventional procedures which are intrauterine transfusion, Cord occlusion and laser therapy for Twin-twin transfusion syndrome.
- I performed 54 cases of Chorionic Villous Sampling and 32 cases of Amniocentesis.
- I was the clinical leader of a ten years audit of cervical stitch efficacy in preterm labour prevention performed at Royal Prince Alfred Hospital.

**Hasan Rawashdeh Curriculum Vitae**  
**MB BS, JBOG, MSc. (OG)**  
**MRCOG, FRANZCOG** (substantially comparable)  
**Hmrawashdeh@just.edu.jo**  
**Hasan\_mhr@hotmail.com**  
**Tel: +962-798284038**

**05 / March / 2013 to 05 / March / 2014**

- I was working as a Maternal Fetal Medicine fellow in the fetal medicine unit at Royal Prince Alfred Hospital.
- My weekly schedule was as follow:
  - ❖ Two sessions of 1<sup>st</sup> trimester screening test
  - ❖ Two sessions of fetal anomaly scans
  - ❖ One session twin growth scanning
  - ❖ One growth and wellbeing list session.
  - ❖ One cervical assessment list
  - ❖ Two research sessions.
  - ❖ From September / 2013 to March 2014, one session in the labor ward as delivery ward fellow
- During this period, I was involved in diagnosis, counselling and management of huge number of fetal structural and chromosomal abnormalities.
- I was introduced to the fetal interventional procedures which are intrauterine transfusion, Cord occlusion and laser therapy for Twin-twin transfusion syndrome.

**Since August / 2013 to January 2016**

- I have been working at Canterbury hospital as a senior registrar in a rate of 12 hours weekly over the weekends. During this period, I was managing labour ward, antenatal, postnatal and gynecology patients. In addition to the emergency cases.

**31 / October / 2010 to 30 / April / 2012 and 10 / September / 2012 to 10 / February / 2013**

- I was working at Jordan University of Science and Technology (Irbid-Jordan) as a full time post graduate fellow / associate clinical fellow in the department of Obstetrics and Gynecology where I was involved in teaching and supervising under and post graduate students.
- In addition to my academic commitment I had my on call duties at King Abdullah University Hospital and I participated in the outpatient clinics and Obstetrical and Gynecological surgeries as part of continuing my training.

**Hasan Rawashdeh Curriculum Vitae**  
**MB BS, JBOG, MSc. (OG)**  
**MRCOG, FRANZCOG** (substantially comparable)  
**Hmrawashdeh@just.edu.jo**  
**Hasan\_mhr@hotmail.com**  
**Tel: +962-798284038**

**11 / January / 2009 to 30 / October / 2010**

- I was working at The Farah Hospital (one of the busiest IVF units in Amman-Jordan) as a full time Obstetrician and Gynecologist under supervision of Dr.Zaid Kilani.
- During that period, I was actively involved in the assessment and management of infertile couples and I was exposed to different ovulation induction programs.
- Also I gained a very good experience in Oocyte pick up procedure and to a lesser extent in the intrauterine insemination and embryo transfer procedures.
- I received a good training in the assessment and management of infertile males, and I used to do sperm aspiration procedures like PESA and PTSA.
- I was participating in hysteroscopic procedures like resection of intrauterine septum, sub mucosal fibroid, endometrial polyp and intrauterine fibrosis.

**July / 2004 to July / 2008**

- Four years' residency program in Obstetrics and Gynecology department at King Abdullah University Hospital during which I performed a large number of minor and major surgical operations like Abdominal Hysterectomy, Myomectomy, Ovarian Cystectomy, Anterior and Posterior vaginal wall Repair, Caesarean Section and Diagnostic and operative Laparoscopic and Hysteroscopic procedures.
- I was actively participating in the Fetomaternal Unit activities like 1<sup>st</sup> trimester scanning, detailed anomaly scan, amnioreduction, amniocentesis and intrauterine fetal blood transfusions.
- I went through Oncogynecology and chemotherapy units and I was involved in good number of Debulking and Staging Laparotomy, and Laparoscopic Assisted Vaginal Hysterectomy.
- I was exposed to Urogynecology and pelvic muscle training clinics and I was involved in different vaginal procedures like Vaginal Hysterectomy, Vaginal wall Repair and Tension Free Tape application.
- I received good knowledge in Assisted Reproductive Technique procedures, and I was involved in the folliculometry clinics. Also I was involved in laparoscopic and hysteroscopic therapeutic procedures.

**Hasan Rawashdeh Curriculum Vitae**  
**MB BS, JBOG, MSc. (OG)**  
**MRCOG, FRANZCOG** (substantially comparable)  
**Hmrawashdeh@just.edu.jo**  
**Hasan\_mhr@hotmail.com**  
**Tel: +962-798284038**

### **7 / July / 2003 to 7 / July / 2004**

- Twelve-month internship at Ministry of Health Educational Hospitals in Irbid, Jordan as follows:
  - General Surgery Section From 07/07/2003 Up to 07/10/2003
  - Emergency Section From 08/10/2003 Up to 07/11/2003
  - Gynecology and Obstetrics Section From 08/11/2003 Up to 06/01/2004
  - Primary Health Care Section From 07/01/2004 Up to 02/02/2004
  - Pediatrics Section From 08/02/2004 Up to 07/04/2004
  - Internal Section From 08/04/2004 Up to 07/07/2004

### **June / 1997 to June / 2003**

- I enrolled The Faculty of Medicine at Jordan University of Science and Technology, where I completed 257 credit hours of classes divided among compulsory and elective courses over six years divided into three years of medical sciences and three clinical years.

### **Professional Associations and Medical Licensing Authorities.**

- Registered by AHPRA (Australian Health practitioner Agency) as medical practitioner during the period between 28/02/2013 to 28/02/2016. My Registration number is MED0001811336
- Assessed to be substantially comparable to Australian specialist by RANZCOG in August 2015.
- Licensed to perform 1st trimester screening test by Fetal medicine foundation and RANZCOG since November 2013.
- Current member of the Fetal Medicine Foundation.
- Current member of the International Society of Ultrasound in Obstetrics and Gynecology ISUOG.
- Current member of the Australian Society of Ultrasound in Medicine and eligible candidate for the diploma of diagnostic ultrasound in obstetrics and gynecology.
- Current member of the Jordanian Society of Obstetricians and Gynecologists since Feb / 2010.
- Current member of the Jordanian Society of Genetics and Fertility since 2009.

**Hasan Rawashdeh Curriculum Vitae**  
**MB BS, JBOG, MSc. (OG)**  
**MRCOG, FRANZCOG** (substantially comparable)  
**Hmrawashdeh@just.edu.jo**  
**Hasan\_mhr@hotmail.com**  
**Tel: +962-798284038**

- Current member of the Jordanian Medical Council and licensed as a specialist in obstetrics and gynecology since March / 2009 and licensed as a fetal medicine specialist since December 2021.
- Current member of the Jordanian Medical Association and licensed to practice medicine in Jordan as a specialist in Obstetrics and Gynecology since the 1st of March / 2009.
- Authorized by the Jordanian Ministry of Health to work as an Obstetrician and Gynecologist since 2009.
- Current member of the Jordanian Medical Association since Jun / 2004 as a General Practitioner.

### **Conferences and Courses.**

- Attended a workshop about quality control in developing the learning objectives for the academic courses in February 2023.
- ALSO certified after completing two days' course for the Advanced Life Support in Obstetrics in November 2022.
- Invited by the Alpha Pharmaceutical Co. to present a lecture about the use of LMWH for the prevention of thrombosis among pregnant women in November 2022.
- Participated in experts meeting organized by Ferring pharmaceutical company discussing latest updates in the management of Post-Partum Hemorrhage and Induction of labour on October 2022.
- Completed a course about distance learning methods and creating a personal website organized by the Professional Academic Development Centre at Jordan University of Science and Technology on February 2022.
- Attended a livestream webinar on March 2021 about intrauterine interventions by the fetal medicine foundation.
- Attended the conscious sedation workshop held by King Abdulla University Hospital in 2021.
- Participated in a livestream webinar on April 2020 about Coronavirus clinical management organized by ISUOG.

**Hasan Rawashdeh Curriculum Vitae**  
**MB BS, JBOG, MSc. (OG)**  
**MRCOG, FRANZCOG** (substantially comparable)  
**Hmrawashdeh@just.edu.jo**  
**Hasan\_mhr@hotmail.com**  
**Tel: +962-798284038**

- I was an invited speaker at Jordan Medical Council in 2019 to speak about Discordant twin management, as part of the continued professional medical teaching.
- I was an invited speaker at the 7<sup>th</sup> health conference in Irbid-Jordan in April 2018, to speak about the role of Aspirin in PET prevention.
- Completed the Statistical Data Analysis using Minitab course at the academic development and quality assurance center at Jordan University of Science and Technology, in 2018.
- Completed the teaching methods and learning styles course at the academic development and quality assurance center at Jordan University of Science and Technology, in 2017.
- Attended the 9<sup>th</sup> international medical conference of Jordan University of Science and Technology in Irbid, Jordan on October 2017.
- Attended the 8<sup>th</sup> international medical conference of Jordan University of Science and Technology in Irbid, Jordan on April 2016.
- Attended the 23<sup>rd</sup> world congress 2013 of ISUOG at Sydney, Australia.
- Attended the 11<sup>th</sup> conference in Obstetrics and Gynecology and women's health by RCOG representative committee in Jordan, Palestine and Syria in Feb /2010, Amman-Jordan. CME (14 Hours).
- Attended the fourth international congress for the Jordanian society of fertility and genetics in Amman, Jordan in 2010.
- Attended the 2<sup>nd</sup> Arab International Fetomaternal Medicine Congress on 1-3 May / 2008, Amman – Jordan. CME (16 Hours).
- Management of reproductive tract infection, organized by Jordan Medical Council in 2008.
- Communication skills organized by King Abdullah University Hospital in 2007.
- Attended basic life support workshops and neonatal resuscitation courses held at King Abdulla University Hospital in 2006.
- Family planning workshop, organized by Jordan Medical Council in 2005.
- Management of hypertensive disorders in pregnancy by Jordan Medical Council in 2004.

**Hasan Rawashdeh Curriculum Vitae**

## **Internal Committees and Participation**

- The chairman of the Obstetrics and Gynecology Department at Jordan University of Science and Technology / King Abdulla University Hospital from September 2021 till now.
- The head of the Baby Friendly Hospital Committee at King Abdulla University Hospital since 2021 till now.
- Member of the study plan, accreditation and quality assurance committee at the faculty of medicine, Jordan University of Science and Technology in 2021 till now.
- Member of the community service strategies at the faculty of medicine, Jordan University of Science and Technology in 2021 till now.
- Member of the operating theaters committee at King Abdulla University Hospital in 2021 till now.
- Member of hospital beds management committee at King Abdulla University Hospital in 2021 till now
- Member of the Institutional Review Board at King Abdulla University Hospital since 2021 till now.
- The head of the residents' educational committee at Jordan University of Science and Technology and King Abdulla University Hospital in 2019 and 2020.
- The head of the fifth year medical students' educational committee at Jordan University of Science and Technology in 2017 and 2021.
- Member of the fifth year medical students' educational committee at Jordan University of Science and Technology in 2019.
- Member of the Pharmacological drugs accreditation at King Abdulla University Hospital in 2019.
- Member of the sixth year medical students' educational committee at Jordan University of Science and Technology in 2018.
- Member of the Faculty of Medicine College board at Jordan University of Science and Technology in 2017, 2018, 2019, 2020, and 2021.
- Member of the medical research review committee at the department of Obstetrics and Gynecology at Jordan University of Science and Technology and King Abdulla University Hospital in 2019, 2020, and 2021.
- Member of the Central Medical Committee at Jordan University of Science and Technology and King Abdulla University Hospital in 2020.
- Member of the ACGME-I Accredited Council for Graduate Medical Education program committee for the residency program at Jordan University of Science and Technology / King Abdulla University Hospital in 2019, 2020, 2021 and 2022, and I participated in writing the policies for Probation, Suspension and Termination.
- Member of the Patient and Family Education (PFE) Committee at King Abdulla university Hospital in 2018.
- Member of the Infection control committee at King Abdulla University Hospital in 2017 and 2018.

**Hasan Rawashdeh Curriculum Vitae**  
**MB BS, JBOG, MSc. (OG)**  
**MRCOG, FRANZCOG** (substantially comparable)  
**Hmrawashdeh@just.edu.jo**  
**Hasan\_mhr@hotmail.com**  
**Tel: +962-798284038**

## **External Committees and Participation**

- Member of the higher examination and certification committee at Jordan Medical Council in Obstetrics and Gynecology since January 2023.
- Member of the National Advisory Group Committee of maternal mortality identification and surveillance project system at Jordan Ministry of Health in 2017, 2018, 2019, 2020, 2021, 2022 till now.
- Member of the Directorate Advisory Group Committee of maternal mortality identification and surveillance project system at Jordan Ministry of Health in 2017, 2018, 2019, 2020, 2021, 2022 till now.
- Member of the USAID Health Service Delivery Program to Reduce Unnecessary Cesarean Section Deliveries in Jordan in 2020.
- Participated as an examiner for the medical board of Obstetrics and Gynecology residents at Jordan Medical Council in 2019.
- Member of the Committee of reviewing Pharmacological Drugs Protocols in Jordan Ministry of Health in 2017 and 2018.
- Participated as an external guest examiner for the qualification exam of Obstetrics and Gynecology for medical students at Jordan University in 2017, 2018 and 2019.
- Participated as an external guest examiner for the qualification exam of Obstetrics and Gynecology for medical students at Hashemite University in 2018.
- Participated in the issuing of the first maternal mortality report in Jordan in 2018, 2019 and 2020.
- Participated in issuing a national guideline to support vaginal births and reduce primary cesarean section deliveries in 2020.
- Participated in the virtual training program in reducing the primary cesarean section deliveries in 2020.
- Participated in a meeting arranged by UNICEF to reduce the primary cesarean section deliveries in Jordan in 2020.
- Translated the 1<sup>st</sup> guideline for COVID 19 in Pregnancy for the ISUOG bulletin from English to Arabic in 2020.

## **Awards:**

- Selected to be one of the top 2000 scientists by AD Scientific Index-2023 Jordan.
- Awarded the Golden medal by the Health Care Accreditation Council HCAC in 2022 for the department of obstetrics and gynecology at King Abdulla University Hospital for adopting the baby friendly hospital policy, during the period where I was the head of the committee responsible for introducing and applying the new policy.
- The JCIA accreditation 2022 for the King Abdulla University Hospital, during the period where I was the head of the Obstetrics and Gynecology Department at the Hospital.
- The King Abdullah University Hospital has been ranked 250th among 2,500 specialized healthcare centers in the world, according to a report released by the brand Finance for the year 2023, during the period where I was the head of the Obstetrics and Gynecology Department at the Hospital.

**Hasan Rawashdeh Curriculum Vitae**  
**MB BS, JBOG, MSc. (OG)**  
**MRCOG, FRANZCOG** (substantially comparable)  
**Hmrawashdeh@just.edu.jo**  
**Hasan\_mhr@hotmail.com**  
**Tel: +962-798284038**

- The World Directory of Medical Schools WFME accreditation for the faculty of medicine at Jordan University of Science and Technology August, 2022 during the period where I was the head of the Obstetrics and Gynecology Department.
- The Accreditation Council for Graduate Medical Education ACGME, for the faculty of medicine at Jordan University of Science and Technology, July 2022 during the period where I was the head of the Obstetrics and Gynecology Department and a member of the ACGME committee at the faculty for accreditation.

## **Research Participation**

- Selected to be one of the top 2000 scientists by AD Scientific Index-2023 Jordan.
- A recognized reviewer for the Informatics in medicine Journal since July 2020.
- Member of the ethical research board at king Abdulla university hospital since 2021.
- Member of the department research committee from 2020 to 2022.
- Head of the department research committee since January 2023.
- Head of the committee assigned to discuss the proposals of postgraduate students at the department of Obstetrics and Gynecology department at Jordan University of Science and Technology 2022.
- Senior clinician running an audit about the management of ectopic pregnancy at King Abdulla University Hospital July 2022.
- First author: Validation of the Grobman model for successful vaginal birth after cesarean section in Jordanian women. 2023
- First author: Good maternal and fetal outcomes of three consecutive pregnancies in a Mediterranean woman with Alport syndrome: a case report. 2022
- First author: The association between late third-trimester oxytocin level and early-onset postpartum depression symptoms among Jordanian mothers: a cross sectional study. 2022
- First author: Emergency peripartum hysterectomy in a tertiary teaching hospital in Northern Jordan: a 15-year review. 2021
- Co-author: Clinical predictive factors for vaginal delivery following induction of labour among pregnant women in Jordan.2021
- Co-author: Knowledge and attitudes regarding Covid-19 among Syrian refugee women in Jordan. 2021
- Co-author: Pre-Implantation Gender Selection: Family Balancing in Jordan.2021
- First author: Intelligent system based on data mining techniques for prediction of Preterm Birth for women with Cervical Cerclage. 2020
- Co-author: The Use of Single Dose Methotrexate in the Management of Ectopic Pregnancy and Pregnancy of Unknown Location: 10 Years' Experience in a Tertiary Center. 2020
- Co-author: Distance education during the COVID-19 outbreak: A cross-sectional study among medical students in North of Jordan. 2020

**Hasan Rawashdeh Curriculum Vitae**  
**MB BS, JBOG, MSc. (OG)**  
**MRCOG, FRANZCOG** (substantially comparable)  
**Hmrawashdeh@just.edu.jo**  
**Hasan\_mhr@hotmail.com**  
**Tel: +962-798284038**

- Co-author: The association between repeated doses of vaginal PGE2 (Dinoprostone, Prostin®) and both maternal and neonatal outcomes among women in the north of Jordan. 2020
- Co-author: Challenges and solutions for maternity and gynecology services during the COVID-19 crisis in Jordan. 2020
- Co-author: Factors that influenced pregnant women with one previous caesarean section regarding their mode of delivery. 2020
- Co-author: Prediction and Prevention of Early-Onset Preeclampsia. 2016
- Co-author: Prediction and Prevention of Early-Onset Preeclampsia: Impact of Aspirin after First-Trimester Screening. 2015
- Co-author: The impact of aspirin on the prevalence of early onset pre-eclampsia after first trimester screening. 2014
- Ongoing projects: Knowledge, attitude and practice of Post Placental Intra Uterine Contraceptive Device (PPIUCD) among mothers in Jordan.
- Ongoing projects: Knowledge, attitude and practice of Post Placental Intra Uterine Contraceptive Device (PPIUCD) among medical practitioner in Jordan.
- Ongoing project: Intelligent prediction system for the mode of delivery after cesarean section using Jordanian population.
- Member of the committee assigned to discuss the thesis for a master degree students at Jordan University of Science and Technology at the faculty of Applied Medical Science. 2022
- Clinical leader of a ten years audit of cervical stitch efficacy in preterm labour prevention performed at Royal Prince Alfred Hospital 2015.

## **Lectures and presentations**

- Facial clefts lecture presented during high risk meeting at Royal Prince Alfred Hospital, Sydney, Australia on 16/05/2013.
- Omphalocele lecture presented during high risk meeting at Royal Prince Alfred Hospital, Sydney, Australia on 31/10/2013.
- The abnormal feet lecture presented during high risk meeting at Royal Prince Alfred Hospital, Sydney, Australia on 27/06/2014
- Fetal anomalies in the posterior fossa lecture presented during high risk meeting at Royal Prince Alfred Hospital, Sydney, Australia on 18/12/2015.
- Ventriculomegaly lecture presented during high risk meeting at Royal Prince Alfred Hospital, Sydney, Australia on 12/03/2015
- CTG NICE guidelines for postgraduate students at the department of obstetrics and gynecology at Jordan University of Science and Technology on 16/02/2017 and 23/02/2017.
- Safety and efficacy of hysteroscopic sterilization Vs laparoscopic sterilization postgraduate students at the department of obstetrics and gynecology at Jordan University of Science and Technology on 13/09/2018.

**Hasan Rawashdeh Curriculum Vitae**  
**MB BS, JBOG, MSc. (OG)**  
**MRCOG, FRANZCOG** (substantially comparable)  
**Hmrawashdeh@just.edu.jo**

**Tel: +962-798284038**

- Prospective RCT of an infection screening program to reduce preterm labour for postgraduate students at the department of obstetrics and gynecology at Jordan University of Science and Technology on 20/09/2018.
- Defining safety criteria to diagnose miscarriage for postgraduate students at the department of obstetrics and gynecology at Jordan University of Science and Technology on 27/09/2018.
- Induction of labour for macrosomic babies for postgraduate students at the department of obstetrics and gynecology at Jordan University of Science and Technology on 15/10/2018.
- Induction of labour at 39 weeks. How reasonable? for postgraduate students at the department of obstetrics and gynecology at Jordan University of Science and Technology on 05/11/2018.
- Facts about Anti-D for postgraduate students at the department of obstetrics and gynecology at Jordan University of Science and Technology on 12/11/2018.
- Immediate delivery Vs expectant management for PPRM close to term for postgraduate students at the department of obstetrics and gynecology at Jordan University of Science and Technology on 06/09/2018.
- Intra-amniotic infection (Sludge) for postgraduate students at the department of obstetrics and gynecology at Jordan University of Science and Technology on 22/10/2018.
- Lifetime ultrasonic demonstration of Transposition of Great Vessels (TGA) for postgraduate students at the department of obstetrics and gynecology at Jordan University of Science and Technology on 24/12/2018.
- Management of Discordant twin for for postgraduate students at the department of obstetrics and gynecology at Jordan University of Science and Technology on 07/03/2019.
- New guidelines in the management of GDM for postgraduate students at the department of obstetrics and gynecology at Jordan University of Science and Technology on 14/10/2021.
- Venous thromboembolic prophylaxis for postgraduate students at the department of obstetrics and gynecology at Jordan University of Science and Technology on 21/10/2021.
- Management of acute venous thromboembolic for postgraduate students at the department of obstetrics and gynecology at Jordan University of Science and Technology on 25/11/2021.
- Induction of Labour to reduce the rate of Caesarean section for postgraduate students at the department of obstetrics and gynecology at Jordan University of Science and Technology on 22/12/2021
- Diagnosing and managing fetal ventriculomegaly for postgraduate students at the department of obstetrics and gynecology at Jordan University of Science and Technology on 06/01/2022.
- Vaginal birth after cesarean section update for postgraduate students at the department of obstetrics and gynecology at Jordan University of Science and Technology on 01/09/2022.
- Best contraceptive methods by the faculty of sexual and reproductive healthcare for postgraduate students at the department of obstetrics and gynecology at Jordan University of Science and Technology on 06/10/2022.

**Hasan Rawashdeh Curriculum Vitae**  
**MB BS, JBOG, MSc. (OG)**  
**MRCOG, FRANZCOG** (substantially comparable)  
**Hmrawashdeh@just.edu.jo**  
**Hasan\_mhr@hotmail.com**  
**Tel: +962-798284038**

- Initiation and switching between contraceptive methods by the faculty of sexual and reproductive healthcare for postgraduate students at the department of obstetrics and gynecology at Jordan University of Science and Technology on 01/11/2022.
- Safe laparoscopic entry for postgraduate students at the department of obstetrics and gynecology at Jordan University of Science and Technology on 15/12/2022.
- Preterm premature rupture of membranes at the department of obstetrics and gynecology at Jordan University of Science and Technology on 19/01/2023.
- Imaging in pregnancy at the department of obstetrics and gynecology at Jordan University of Science and Technology on 02/02/2023.
- Management of acute VTE in pregnancy at the department of obstetrics and gynecology at Jordan University of Science and Technology on 02/03/2023.
- Breast cancer in pregnancy at the department of obstetrics and gynecology at Jordan University of Science and Technology on 09/03/2023.

### **Professional experience**

- I believe I received a good training to be a safe obstetrician and gynaecologist, being able to deal with confidence with obstetric and gynaecological emergencies.
- **In Obstetric**
- ❖ I feel confident to deal with patients in the antenatal ward, clinics, delivery room and delivery theater.
- ❖ I am happy to lead high risk obstetric clinics and delivery ward.
- ❖ I can do all types of cesarean sections and I can manage instrumental deliveries for different indications.
- ❖ I can manage all stages of perineal tears.
- ❖ I am certified to do 1<sup>st</sup> trimester screening test by RANZCOG and fetal medicine foundation including Nuchal translucency measurement, nasal bone, facial angle and uterine artery Doppler measurement.
- ❖ I consider myself professional to do all antenatal scans including full detailed anomaly, growth and wellbeing, cervical assessment and placental localization scans.
- ❖ I am happy do CVS, amniocentesis and amnioreduction procedures.
- ❖ I can do all kinds of cervical stitches for cervical incompetence.

**Hasan Rawashdeh Curriculum Vitae**  
**MB BS, JBOG, MSc. (OG)**  
**MRCOG, FRANZCOG** (substantially comparable)  
**Hmrawashdeh@just.edu.jo**  
**Hasan\_mhr@hotmail.com**  
**Tel: +962-798284038**

- **In Gynaecology**

- ❖ I am happy to deal with outpatient and inpatient gynecological symptoms.
- ❖ I can manage Abdominal Hysterectomy, Myomectomy, Cystectomy and vaginal wall repair efficiently.
- ❖ I can manage ectopic pregnancies laparoscopically.
