

Curriculum Vitae Of

**Dr. Med. Khaled M. EL-Radaideh,
MD, PhD, Facharzt (Germany)**

**Department of Anesthesiology and
intensive care**

**Professor of Anesthesiology - Jordan
University of Science and Technology
Irbid-Jordan**

**Consultant Anesthetist
King Abdullah University Hospital
Irbid-Jordan**

Personal Data:

Name: Khaled M. EL-Radaideh

Address: Department of Anesthesiology
Jordan University of Science and Technology
P.O. Box 30
21110 Irbid
Jordan

Telephone mobile: 00962 (0)799051167

E-Mail kmelradaideh@just.edu.jo

Marital Status: Married, Three Children

Specialist Register: 17/10/1995, Medical Specialist for anesthesiology. Register no. GB-325/1995 WBO 1991

Medical Education: MB. June 1990 and diploma of medicine University of Leipzig/ Germany.

Medical Qualifications: Residency program in anesthesiology University of Leipzig 1990-1995

October 1995 Specialist for anesthesiology

Graduate

Education

October 1984 -

October 1990:

After one year of Preparation course and learning the German language I began the Medicine study on October 1984 and finished it on July 1990 as MBBS and with the degree high Diploma Medicine after a completion of research project.

Post-graduate

Education:

**October 1990-
October 1995:**

Postgraduate study as a Resident for Anesthesiology and intensive care Department at Diakonissenhaus Hospital-Leipzig, Teaching hospital of the Leipzig University Leipzig, Germany.

This training program has provided me with a wide and varied experience in both Anesthesiology and Intensive Care.

Previous
Appointments:
October 1995 –
December 2000:

After I was boarded I worked as a medical Specialist for anesthesiology at Diakonissenhaus Hospital-Leipzig (Teaching hospital of the Leipzig University Leipzig, Germany), Department Anesthesiology and intensive care.

During this time I have gained a wide and good experience in the different fields and units of this department including medical and surgical intensive care unit and postoperative pain management. I have Special experience in the different techniques of the regional anesthesia.

October 1995: Regular participation in the ambulance service with the Certificate of specialized Knowledge in Ambulance Service from the Saxon General Medical Council.

April 2000: Doctor of medicine with the title DOCTORIS MEDICINAE from Leipzig University Leipzig/ Germany.

May 200 First part of “Special pain Therapy” – from the Saxon State Chamber of Physicians and from the Saint George Municipal Clinic in Leipzig - Leipzig/ Germany.

Current Position

February 2001 – present
Associate Prof. at Jordan University of Science and Technology and Consultant at King Abdullah University Hospital

The Hospital of the Jordan University of Science and Technology is King Abdullah University Hospital. It is a large teaching hospital of

The department of Anesthesiology delivers anesthesia to all ages of patients from neonates to very elderly and to all specialties as well as outside of the operating theaters for diagnostic and interventional procedures.

In addition to the wide experience in anaesthesia for all surgical fields (except cardiac anesthesia) I have Special experience in the **different techniques of the regional anesthesia, ultrasound guided** and as well as with peripheral nerve simulator.

Practical skills:

I have attained and maintained some special skills in the following:

- Percutaneous Dilation Tracheotomy
- Insertion of temporary cardiac pacemaker
- Insertion of peripheral venous” long lines”
- Insertion of arterial and central lines
- Pleural aspiration,
- Insertion of intercostal chest drains
- Different techniques of the regional anesthesia.
- And others

Teaching Experience:

I am responsible in the education of undergraduate medical students The curriculum in Anesthesia that I have made for the medical students has been approved by the faculty as Part of its general curriculum. I am regularly involved in the medical lectures for dentistry Students. In addition I am regularly involved in teaching of postgraduates. The postgraduate program is a part of my responsibility.

Administrative Posts:

Head of the department of Anesthesiology of the Jordan University of Science and Technology and of the King Abdullah University Hospital Irbid-Jordan which is a teaching hospital that has been opened in the north of Jordan

Head of the department of Anesthesiology:

- from September 2001 – September 2003
- from August 2006 – September 2008
- from September 2009 – September 2010
- from February 2012 – September 2013
- from September 2014 –September 2016
- from September 2020 –September 2021

Jordan board examiner

Vice head of the scientific committee of anesthesiology and intensive care of Jordan medical council since January 2013

Editorial Board Member

- Journl of Pediatrics and Palliative Care
- Anaesthesia, Critical Care and Pain management

Membership of Learned Societies and Communities:

1. Member of the European Society of Anesthesiology
2. Member of the Jordan Medical Association.
3. Member of the Jordan Anesthetists Association.
4. Member of the German Saxon General Medical Council.

Conferences and Workshops:

I attended many scientific conferences and workshops in, Germany, Jordan, Lebanon, Egypt Portugal, South Africa, Spain, Finlan, Dubai detc.....

Computer Skills:

I regularly use a notebook computer and I am confident in the use of Word, Excel, PowerPoint, Access, e-mail and the Internet.
