- Membership of the Royal College of Surgeons, Edinburgh (MRCS) 8/2022
- Jordanian Board in General Surgery (JBGS) — 1st Rank among candidates 8/2021
- Higher Specialty of Medicine / General Surgery — Jordan University of Science and Technology, Jordan 6/2021
- Bachelor of Medicine & Surgery (MBBS) — Mutah University, Jordan 6/2013

COURSES

- Practicing Academic Work in University and University Colleges — Yarmouk University, Irbid, Jordan (29 July – 9 August)
- 1st London/DENTA Head & Neck Ultrasound Course, St George's University Hospitals NHS Foundation Trust, London, UK (8–9 November 2024)

- BAETS Thyroid & Parathyroid Surgery Bootcamp (2 October 2024)
- Clinical Research Methods — Jordan University of Science and Technology (2020)

TEACHING EXPERIENCE

- Coordinator of the General Surgery course for 4th-year medical students.
- Active Committee Member, Internship Examination and Assessment Committee, Jordan Medical Council, Jordan.
- External Examiner for the 6th-Year Medical Students' Oral General Surgery Examination, Yarmouk University and Al-Balqa Applied University, Jordan.
- Assistant Professor, Department of General Surgery, Faculty of Medicine, Jordan University of Science and Technology — active role in the undergraduate teaching programs for 4th-year students ("General Surgery 1") and 6th-year students ("General Surgery 2"). Teaching duties include:
 - Discussing cases during morning reports
 - Leading bedside clinical teaching rounds
 - Supervising students during presentations and seminars
 - Organizing and participating in OSCE and oral examinations
- Teaching and mentoring junior doctors at Guy's and St Thomas' NHS Foundation Trust, supervising clinical skill development through structured teaching activities, case-based discussions, and guided participation in patient care.
- Full-time Lecturer, Department of General Surgery, Faculty of Medicine, Mutah University, and Teaching Assistant, Department of General Surgery, Faculty of Medicine, Jordan University of Science and Technology — active role in the same undergraduate teaching programs. Teaching duties include:
 - Discussing cases during morning reports
 - Leading bedside clinical teaching rounds
 - Supervising students during presentations and seminars
 - Organizing and participating in OSCE and oral examinations
- Clinical and practical training of junior general surgery residents at King Abdullah University Hospital, including leading morning reports and evening rounds, and supervising junior residents in the operating room.

PUBLICATIONS, RESEARCH PROJECTS, POSTERS & AUDITS

A focused research portfolio in general and endocrine (neck and adrenal) surgery, including peer-reviewed journal articles, case reports, conference abstracts, and oral/poster presentations at national and international endocrine surgery meetings. Also completed two peer reviews of endocrine surgery case reports for BMJ Case Reports.

1. Massive rhabdomyolysis; a rare cause of hepatocellular dysfunction. *The American Journal of Case Reports* (29/01/2018). Osama K. Shattarah, Abdel Rahman Al-Manasrah, Osama K. Shattarah. **Co-author.**
2. Case Report: a case of large gastric trichobezoar in the corona era. *Gastroenterology & Hepatology International Journal* (21/11/2022). Shattarah O. **Co-author.**
3. The impact of partial and complete lockdown during the COVID-19 pandemic on acute surgical services: a retrospective cohort study. *European Journal of Medical Research* (2023). **Data analysis lead.**
4. Late small bowel perforation from a migrated double plastic biliary stent: a case report and review of the literature of 85 cases from 2000 to 2022. *Clinical Case Reports* (2023). **Methodology design.**
5. Towards safer colorectal surgery worldwide: outcomes and benchmarks from the ESCP CORREA 2022 audit. *European Society of Coloproctology (ESCP) CORREA Collaborating Group* (2025). **Collaborator.**
6. Unexpected sepsis due to Group A beta-haemolytic Streptococcus following total thyroidectomy. *BMJ Case Reports* (2025). Hasitha Udayakumara, Emmie Stewart-Parker, Osama Shattarah, Johnathan G. Hubbard. **Co-author.**
7. Case report: gastric GIST mimicking a left adrenal mass. *Presented as a poster at the ESES Conference* (2025). **Presenting author.**
8. Case report: left adrenalectomy in a situs inversus patient. *Presented as a poster at the ESES Conference* (2025). **Presenting author.**
9. Role of intraoperative parathyroid hormone monitoring in influencing the extent of parathyroid surgery. *Presented as a poster at the BAETS Annual Scientific Meeting* (2025). **Presenting author.**
10. Audit: "One standard, two systems" — VTE prophylaxis gaps between the UK and Jordan. *Presented as a poster, St Thomas' Hospital meeting* (2025). **Supervisor.**

11. Choline PET localisation and surgical outcomes in re-operative parathyroidectomy: a 20-year single-surgeon experience. *World Journal of Surgery; presented at the BAETS Annual Scientific Meeting* (2025). Anh N. Vu, Katherine A. Black, Osama Shattarah, Jessica Preece, Johnathan G. Hubbard. **Co-author.**
12. Awareness, attitudes, and barriers toward breast symmetry procedures among women after breast reconstruction: a cross-sectional study. *Journal of Clinical Medicine*. Saleh Abualhaj, Mosleh M. Abualhaj, Lina Alshadfan, Yasmin Safi, Mu'taz Massad, Osama Shattarah, et al. **Co-author.**
13. Clinical and functional outcomes following reverse sural flap of lower extremity defects: a comparative retrospective study. *Clinics in Orthopedic Surgery*. Saleh Abualhaj, Mosleh M. Abualhaj, Lina Alshadfan, Omar S. Mansour, Eyad Alqarqaz, Mohd Said Dawod, Osama Shattarah, et al. **Co-author.**
14. Right non-recurrent laryngeal nerve associated with an aberrant right subclavian artery encountered during total thyroidectomy for Graves' disease: a case report. *International Journal of Clinical Studies*. Osama K. Shattarah, Rasha Al-Ebbini, Anh N. Vu, Hasan Aljawder, Johnathan Hubbard, Saleh Abu-alhaj, Ahmad Eyadeh, Ahmad Suleihat. **Author.**

CONFERENCES, SYMPOSIUMS & MEETINGS

- The 9th International Medical Congress of the Subcommittee of the Medical Association, Ajloun. **Presented a lecture on Occult Papillary Thyroid Carcinoma Presenting as an Isolated Lateral Neck Mass: A Case of Skip Metastasis.**
- The 13th International Medical Conference, Jordanian Medical Association — Irbid Branch. **Presented a lecture on the first case of parathyroidectomy with IOPTH monitoring at KAUH.**
- BAETS Annual Scientific Meeting 2025, The Manchester Deansgate Hotel, Manchester. **Presented a poster.**
- 11th Conference of the European Society of Endocrine Surgeons, Izmir, Turkey (22–24 May 2025). **Presented a poster.**
- BAETS Annual Scientific Meeting, Royal Geographical Society, London, UK (3–4 October 2024).
- BAETS Thyroid & Parathyroid Surgery Bootcamp, St Mary's Hospital, London, UK (2 October 2024).
- 7th International Scottish Head and Neck Conference — Thyroid/Parathyroid/Pituitary, Dundee Institute of Head and Neck Education (14/09/2024). **Delegate.**
- 3rd Developments and Controversies in Thyroid Cancer, The Royal College of Physicians, London, UK (19/04/2024). **Delegate.**
- Neck Endocrine Surgery Symposium, UCH Education Centre, London, UK (15 March 2024). **Delegate.**
- Hammersmith Multidisciplinary Endocrine Symposium, London, UK (1 December 2023). **Delegate.**
- Middle East and North Africa First Thyroid Cancer Symposium (MENA-TCS-2022), Amman, Jordan (31 March 2022). **Delegate.**
- The 16th International Jordanian Oncology Society Conference, "The Era of Personalized Oncology," Amman, Jordan (September 2018). **Delegate.**
- The 2nd Jordan Surgical Clinical Congress, Jordan Chapter of the American College of Surgeons, Amman, Jordan (September 2017). **Delegate.**
- Women Oncology Conference, "Less is More," Amman, Jordan (October 2016). **Delegate.**

LANGUAGES

- **Arabic** — mother language
- **English** — proficient
